

Let Us Accelerate the Cause of Global Independence under the Banner of the Juche Idea

We who attend the African regional seminar on the Juche idea send this appeal to the Juche idea study organizations and followers over the world, while making up our minds to actively contribute to the building of free and prosperous Africa by more positively studying and disseminating the Juche idea in celebration of the 100th birthday of President Kim Il Sung.

The year 2012 is a meaningful year which marks the 100th birthday of President Kim Il Sung, the founder of the Juche idea and the pioneer of the independent era.

President Kim Il Sung's birth was an event of human history unprecedented in the 20th century.

Thanks to his birth, hundreds of millions of the popular masses who were subjected to the fate of slaves under the oppression and exploitation of the tyrants in the past met a new era of independence in which they newly emerged as masters of the world and their destiny and as the masters of history.

The Juche idea founded by President Kim Il Sung is a great idea that puts man's position and value on the highest phase and a revolutionary doctrine of the independent era that clarifies perfectly the road for the people's struggle for independence.

In the 21st century, the people's aspiration and desire to live happily and harmoniously in the free and peaceful world get more ardent.

This urgent demand of the era and the people makes us deeply aware of the mission and responsibility of being pioneers of the era and disseminators of the great idea.

The Juche idea study organizations and followers over the world!

Let us study and disseminate the Juche idea more dynamically with self-awareness and sense of honour of being pioneers in our minds in celebration of the 100th birthday of great President Kim Il Sung, the author of the Juche idea.

The discharger and the subject in the independent development of

the country and humankind are the popular masses, and the success in the independent cause depends on how we arm the masses with consciousness of independence.

Let us make an effective study and dissemination of the Juche idea in conformity with our own concrete reality and conditions to actively contribute to the building of a new society and the independent development.

Let us be active in awakening the broad masses by the method of one awakening and leading ten and ten a hundred.

Let us disseminate the Juche idea actively with such various forms and methods as the seminar of the Juche idea to enhance the social concern on the Juche idea and create atmosphere of disseminating the idea.

Let us push ahead with the forming of the Juche idea study organizations and strengthen them and the ranks of its followers to continue to study and disseminate the Juche idea down through generations.

Let us strengthen mutual contact and cooperation and make concerted efforts, so that the Juche idea study organizations can conduct the study and dissemination of the Juche idea in an organized manner on an international scale.

The DPRK is a powerful fortress for the masses' cause of independence.

Let us consolidate the solidarity with the Korean people and actively support and encourage them in their struggle for a great powerful and prosperous socialist nation and national reunification.

All the Juche idea study organizations and the Juche idea followers, let us celebrate meaningfully the 100th birthday of President Kim Il Sung, the most auspicious holiday, with big successes in the study and dissemination of the Juche idea.

History will never forget the feats of the pioneers of the era who accepted the great idea as an absolute truth and devoted their all to its realization.

We, the attendants of the African regional seminar on the Juche idea, appeal to study and disseminate the Juche idea dynamically

with lofty aim and extraordinary enthusiasm to make 2012, the year which marks the 100th birthday of President Kim Il Sung, the founder of the Juche idea, a new epochal occasion in accelerating the cause of global independence.

The independent cause of the people advancing under the banner of the Juche idea will surely be victorious.

Long live the great Juche idea!

The seminar on the Juche idea
for independent development of Africa
